Gentlemen:

In response to your letter of November 10, 1981, we wish to advise that we contracted with the following companies in California for grinding of our DDT:

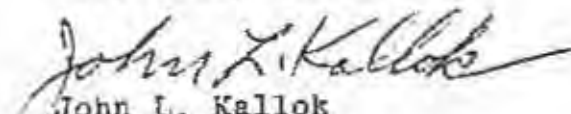

Depester Western, Inc., Fresno, CA  
(1961-1965)

Stauffer Chemical Co., Dominguez, CA  
(1958-1969)

United Heckathorn Co., Richmond, CA (1958-1960)  
later know as United Chemetrics Co. (1961-1963)  
later known as Chemwest, Inc. (1963-1965)

Our records do not go back prior to 1958; however, the same companies would have been the ones we would have used in earlier years.

Very truly yours,

  
John L. Kallok  
Plant Manager
